ANNOUNCEMENT OF REVISED SERVICE CHARGES

AUGUST 2018

GENERAL

NAV CANADA hereby announces revised service charges, pursuant to Section 37 of the *Civil Air Navigation Services Commercialization Act*, S.C. 1996, c. 20 (ANS Act). This Announcement sets out the revisions in charges that apply to three categories of air navigation charges: (i) Terminal, (ii) Enroute, and (iii) Oceanic. These revised charges will become effective on September 1, 2018, except where otherwise indicated. All other service charges provisions not amended by this Announcement remain in effect.

Pursuant to Section 42 of the ANS Act, persons wishing to appeal these revisions may do so by making an application to the Canadian Transportation Agency. The application must be filed within 30 days after the filing of this Announcement with the Agency. An appeal may only be made on one or more of the grounds set out in Section 43 of the ANS Act.

This Announcement consists of one section:

- (1) Revision to Service Charge Rates

1. REVISION TO SERVICE CHARGE RATES

The revised charges will be effective September 1, 2018, except where otherwise indicated.

Note that in the Notice of Revised Service Charges of May 2018, revisions to rates for all service charges were proposed to take place on September 1, 2018. This was not correct as the revision cycle has always been March 1 for the Annual Charges, the Annual Minimum Charges and the Daily Charge at Seven Specified International Airports. This Announcement correctly presents the revision date as March 1, 2019 for these charges.

The following tables set out the revised rates.

Movement-Based Charges
