Re: Donation request for Hope Air Charity Golf Tournament

To Whom It May Concern,

From June 12-14, 2018 the Region of Waterloo International Airport and [Chartright Air Group](#) will host the 2018 Canadian Business Aviation Association (CBAA) Annual Convention and Exhibition. This event will attract over 700 people and take place in venues across Waterloo Region.

[The Canadian Business Aviation Association \(CBAA\)](#) is a non-profit association that represents 400 member companies. Our mandate is to represent and promote Canada's \$12.1 billion business aviation community globally, advocating safety, security and efficiency.

The convention will kick off at Whistle Bear Golf Club with the [Hope Air](#) Charity Golf Tournament on June 12, 2018. Hope Air is a national charity that arranges free non-emergency medical flights for low-income Canadians who must travel far from home to access healthcare. Since 1986, the charity has arranged over 100,000 flights. CBAA's goal is to raise \$25,000 for Hope Air with this event. Eight-time Canadian long drive champion [Lisa Longball](#) will join us at Whistle Bear to help. Participants can pick up tips at her golf clinic or use her drive to improve their score for a donation.

To celebrate we award our golfers door prizes donated from area businesses. We are reaching out to ask for your support and request a door prize valued at \$10-25. Donation pick-up is available or you are welcome to deliver it to the Region of Waterloo International Airport attention Sandra McAuley. We ask to receive all donations by June 1, 2018.

This is a great way to promote your company to aviation leaders from across Canada and the United States. If you would like to make a larger impact, golf sponsorship opportunities and foursomes are still available!
