

KING AIR 250 CAPTAIN

REPORTS TO: Flight Operations Manager

SUMMARY

Sutil Aviation Ltd. operates a King Air 250 for corporate and private use. We are looking for an experienced, customer-focused Captain to fly the aircraft according to Transport Canada and Company standard operating procedures.

We offer a fast-paced, corporate work environment that is friendly, vibrant, positive, professional and service-driven. The organizational culture is characterized by energy, respect, collaboration and a very strong sense of team and community.

Located in one of Canada's most beautiful areas, the King Air 250 Captain role is based in Campbell River on Vancouver Island. This full-time permanent position offers an enviable lifestyle for an experienced member of the aviation industry. Relocation to Campbell River will be required.

Our King Air currently flies approximately 200-250 hours per year, this is a lower hour position that will require flexibility in scheduling and a strong work ethic to help with all aspects of flight department work.
